**City Council  
Special Meeting  
Thursday, April 9, 2026  
6:00 PM**

**1. Call to Order - Opening**

Mayor Pro-Tem Morrissey will kick off with a brief welcome (2–5 minutes), including an overview of the evening’s format and goals before transitioning into the program.

**2. Council Presentations**

Each of the seven Councilmembers will have 5 minutes to speak on their assigned topics. Note: topics have been predetermined and include key areas such as infrastructure projects, planning and growth, financial stability, communications, and community investments.

**3. Mayor Remarks**

Following Council presentations, the Mayor will have 10 minutes to address additional topics not covered.

**4. Q&A Session**

We will then transition into a facilitated Q&A with the audience. • Mayor Pro-tem Morrissey will manage this portion and direct questions as appropriate. • While not everyone may have the opportunity to answer, he will do his best to distribute participation across the group. • This portion will not exceed 30 minutes.

**5. Breakout Conversations**

To close the evening, we will move into a more informal breakout format: • Councilmembers and the Mayor are encouraged to spread out around the room. • Attendees can engage with you directly—whether to follow up on a topic, discuss a specific issue, or simply connect. • Please use this time as you see fit to engage meaningfully with the public.

**6. Adjournment**
